Butler PPD Utility Line Scholarship

Butler Public Power District is offering a scholarship to a student planning to attend either Northeast Community College in Norfolk, NE or Metropolitan Community College in Omaha, NE studying in the utility line program.

The scholarship ranges in value according to the student's chosen program. Students attending a 1-year program at an accredited school are eligible to apply for a $1,000 scholarship, and 2-year program students are eligible for a $2,000 scholarship.

- Applicants must reside within the Butler PPD service area, be a dependent of a customer of the District, or live in one of the following villages: Abie, Bellwood, Brainard, Bruno, David City, Dwight, Garrison, Linwood, Loma, Malmo, Octavia, Prague, Rising City, Surprise, Touhy, Ulysses, Valparaiso and Weston to be eligible.
- Application deadline—January 15th
- Applicants must be accepted or placed on a waiting list for the utility line program at either Northeast Community College or Metropolitan Community College.

Name: _____

Address: _____

Phone: _____

E-mail: _____

Parent/Guardian Name on Electric Account: _____

- Please attach a personal essay, not exceeding 350 words telling why you are interested in studying utility line. On a separate sheet provide three references and a list of activities.
- All entries must be received no later than January 15th. Butler PPD's scholarship committee will review the entries and select the recipient. The committee may request an interview.
- If awarded a scholarship for a 1-year program, the scholarship will be paid directly to you following completion of your utility line program. If you are awarded a 2-year scholarship, half of the scholarship will be paid directly to you following the successful completion of your first year of utility line program. The second half of the scholarship is awarded following graduation.
