

SECURITY LIGHT LEASE AGREEMENT

TYPE OF SERVICE

The District shall install and maintain the following number and types of security lights:

_____ Unmetered 73-watt LED or 60-watt LED
 _____ Metered 73-watt LED or 60-watt LED
 (Based on inventory will determine what wattage light will be install.)

CONDITIONS OF SERVICE

Repair of any security light will be made at the district’s convenience after receipt of notification from the consumer that the security light is not operating.

Consumer agrees to allow District personnel to enter the consumer’s premises for the purpose of repairing and maintaining the security light(s).

All security lights shall remain the property of the District, and the district shall have the right to remove the security lights upon failure of consumer to perform under the terms of this agreement.

SERVICE CHARGE

A monthly service charge in the amount indicated below shall be made, commencing with the first month of service, for each security light, “including all relamping and repairs”.

	73-watt LED	60-watt LED
Unmetered	\$5.00	\$4.75
Metered	\$3.00	\$2.75

The District reserves the right to adjust the monthly service charge from time to time in accordance with the District’s rate policies.

SERVICE AGREEMENT
